

## Meet the Steering Committee

**Kristie Cross, Palmetto Health**

**YLS Co-Chair**

803-296-3601

kristie.cross@palmettohealth.org

“I became involved with United Way to contribute to the community. United Way makes these contributions easy. United Way does a lot of the ground work in terms of researching partner agencies and holding these agencies to a high standard. I know that my funds will be used in the best possible manner to make positive changes in the Midlands. As well, the United Way is very accessible in terms of getting involved in local volunteer projects. I currently serve on the YLS steering committee, but it is also easy to find other volunteer needs by doing a search at [www.uway.org](http://www.uway.org).”

“I’m Kristie Cross. I give my time and money to United Way because the United Way is working to make the Midlands a better place, and that’s how I LIVE UNITED.”
